Conclusion: On 10 June 2016, in the premises of Motel Vardar- Gevgelija, was held the project meeting between the partners of the project *“Joint actions for efficient urban water management in the cross-border area” AQUA-M*.

The first topic that was discussed in the meeting was the so far actions by each partner. Mr. Kiril Janishliev presented the realized activities and completed procurement actions for municipality of Gevgelija. He described that most of the procurement actions were completed on time with exception for 2 procurement actions that are in process. The Representatives of Greek partners Mr. Petros Bellis and Mr. Spiros Kouvatsis also presented the procurement actions, activity progress, implemented activities with expected results.

The second topic was about the next activities that should be taken in the frame of the project. It was discussed about the preparation of the web portal as a joint activity, and about closing conference which should be organized in Gevgelija.

The project meeting finished with open discussion between the partners about the results and benefits from the implementation of the project AQUA-M.
